

ACTIV

Fusing Style and Ergonomics

Quite simply, the ACTIV range is designed to impress! With its state of the art design, 3D Mesh backrest with an adjustable lumbar support, multi-adjustable armrests and the use of either recycled or recyclable materials, the ACTIV range demonstrates Karo's commitment to both modern office chair design and environmental sustainability.

The ACTIV range carries a medical endorsement for its ergonomic features by Dr JJ Gilau, specialist in neck, back and shoulder pain rehabilitation.
